

Dear Church Family,

If someone asked you, “How would you describe the characteristics of God?” How would you respond? Throughout the Scriptures God’s characteristics are revealed to us through the names for God. During these summer months we are going to dive in deeper into some of the names of God in the Old Testament, looking at the context in which they appear, how they relate to Jesus, and how we can pray the names of God.

Summer months are meant for sunshine, relaxation, and fun...but they are also meant for worship. If you are traveling this summer, why not stop in a church along the way and worship. Let us know of your experience. If you are in town, make every effort to worship the Lord on Sundays. The Lord’s house is open year-round!! Looking forward to seeing you in worship!

NANCY SPONSELLER

After living in Dublin for 25 plus years, almost four years ago she moved to the Darby Fields community in Plain City. It was all about downsizing her home/yard and property taxes! Because she was born and spent the first 12 years of her life in the country (Logan County, outside of Bellefontaine), she wanted a more rural community if she could find it and still be fairly close to her law office on Sawmill Road, where she has worked for 20 years. Beating out Marysville and Delaware, Plain City seemed a good fit for her; and, yes, she loves to see the crops grow in the farmer's fields and hear roosters crow and horses bray. When she is not in her office, she loves gardening (now only in raised beds) and puttering around her very small yard. While she misses her huge garden in the Summer, she does not miss cleaning up the leaves in the Fall!

One thing her friends know about her is that she dearly loves dogs—she has a 9-year-old standard poodle, Scarlet, who is a joy. The most important thing her friends know about her is that she loves Jesus, having accepted Christ as a pre-teen at a Billy Graham crusade in Columbus. She views everything through the lens of Scripture, including her own sin nature and shortcomings that disappoint a great God who loves her dearly. She attributes her faith to her parents who, with the Holy Spirit, raised her in the church—the snow was never too deep to miss church, except for the blizzard of 1978. Her junior high and high school years she grew up on Fishinger

MICHELE KOPIEC

Michele Kopiec, originally from Pittsburgh, Pennsylvania, moved to Ohio in 1999. She resides in London, with her daughter, Paige, a student at Wilmington College, majoring in chemistry. Michele is the corporate secretary for the US Trotting Association, which is the breed registry for the Standardbred horse. She loves animals and currently has three horses, two dogs and two chickens and is also a former 4-H advisor for Madison County. We, also, know that Michele has a beautiful singing voice, and has sung many solos in our church during the past couple of years!

SANDRA HINKLE

Sandra Hinkle recently moved to Plain City from Louisville, KY where she was a member of Harvey Browne Presbyterian Church for over 50 years. She sang with both the youth choir in her teen years and later in the adult choir. She was active in the Presbyterian Women, and served as an elder, clerk of the Session, and as a Deacon over her years there. Sandra retired from Humana in 2023 and then moved to Ohio to be closer to her daughter, Jinny, who lives in Columbus. Prior to Humana, Sandra worked as a Research Director in TV stations for over 30 years. She is now enjoying retirement and watching the sunrise over Big Darby Creek with her Red Heeler Cattle Dog, Tillie. She spends lots of time with her daughter. She says what she likes most about Plain City Presbyterian is the beautiful music, and the welcoming spirit of the people.
